Subject: Questions Regarding Frontend Web Developer Position

Dear Hiring Manager,

I hope you are doing well. Recently I found your company website that is hiring Frontend Web Developer, it immediately caught my interest. The role seems like a great fit for my background in technologies like HTML, CSS, Javascript, Bootstrap, React and more.

I just wanted to check on two things,

- Would it be possible to have the online interview if I'm shortlisted?
- Do you have an idea of the expected joining date for the selected candidate?

Thank you for your time and consideration. I look forward to hearing from you and am excited about the possibility of joining your team.

Best regards,

Md. Inzamul Haque Joy
